

## Folks We Can Do Without . . .

IF WE COULD SEE OURSELVES as others see us, we'd take more interest in our personal appearance. With hot weather coming on, the above cartoon is just a reminder of how a lot of gals look who shouldn't. Slacks were invented for comfort in the country, and not for ladies whose er - - - figures or not in bathing-suit-model proportion. Besides, there's nothing nicer looking or cooler than a dress, anyway.
