

BULLET-PROOF CLOTHING.

The invention is perfected. The wonderful coats made by the now famous German tailor absolutely resist bullets. Our \$18, \$20, \$22 and \$25 Suits marked down to

\$15.00 A SUIT

Are as wonderful in their way. They absolutely resist wear. We own no mills—we own no sheep—we own no unmanufactured wool, but our cash enables us to buy *Fine Clothing*, from the best manufacturers in New York, *for less than San Francisco wholesalers can make them for.*

2000 SUITS TO PICK FROM,

Plenty of *daylight* to see them by—(no electric lights used in daytime), and if you are not suited, even after alterations have been made, *we'll refund your money.*

THE STORE CROWDED

Since we began this great *Fit, Fabric and Finish Sale* of Men's Fine Suits for \$15. Come in the morning if possible—fewer people then.
