

SCARE AWAY INTRUDERS!

Alarm barks at any unexpected sound. Only \$45

Protect your home with our new Barking Dog Alarm. Just plug it into a standard electrical outlet, and it responds to any unexpected sound with a threatening bark. And it automatically shuts off when the source of the sound goes away. Provides the same security dogs give without the hassles. The barking is recorded on a durable chip within the unit. Its volume and sensitivity controls let you regulate the sound. Mounts easily on a wall, ceiling or floor. UL approved.

Money-back trial offer.

If you are not satisfied with the Barking Dog Alarm, simply return it (in new condition) within 60 days for a complete refund. One-year warranty.
