ProQuest Central K12 puts your library at the center of serious research

ProQuest Central K12 is our largest aggregated periodical database designed specifically to support advanced research and college-prep curricula.

This extensive online collection provides one-stop access to more than 6,100 scholarly journals, magazines, and newspapers — with over 4,600 titles in full text!

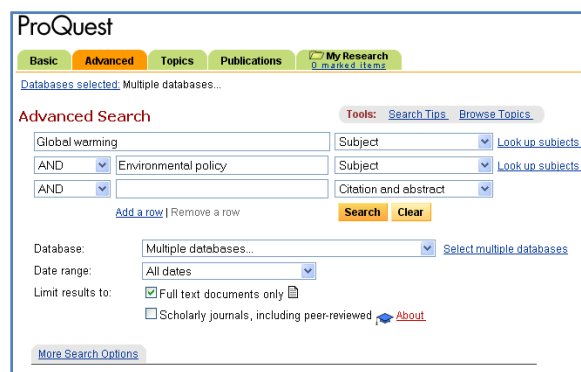

The millions of articles in this continuously-growing database provide global coverage of a wide range of subjects: business, education, general reference, health, language arts, sciences, social sciences, and many other curriculum-specific subject areas.

Full-text coverage comes from thousands of leading publications, including national newspapers such as: *The New York Times*, *Los Angeles Times*, and *Chicago Tribune*; and, exclusive content from world's top publishers such as Cambridge University Press, Dow Jones, and more.

It's all delivered via the award-winning ProQuest platform, which offers intuitive search and powerful tools to aid the entire research process:

- Broader results through seamless searching with any ProQuest databases; and one-click linking to other electronic sources
- Robust search options connect users to the right content, and feature ProQuest's renowned indexing for targeted queries
- Useful tools to facilitate research such as ProQuest® Smart Search, search widget, article translations, and auto-citations
- A range of formats: from citation, ASCII full text, full page and PDF image

Whether you need content for research, teaching, or study...it all starts at ProQuest Central K12. **Learn more by contacting a [ProQuest representative](#) or visiting our [website](#).**
