ProQuest Central K12 puts your library at the center of serious research

ProQuest Central K12 is our largest aggregated periodical database designed specifically to support advanced research and college-prep curricula.

This extensive online collection provides one-stop access to more than 8,000 scholarly journals, magazines, and newspapers — with over 6,200 titles in full text!

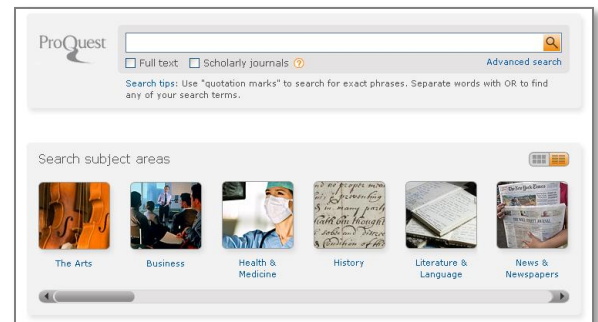

The millions of articles in this continuously-growing database provide global coverage of a wide range of subjects: business, education, general reference, health, language arts, sciences, social sciences, and many other curriculum-specific subject areas.

Full-text coverage comes from thousands of leading publications, including national newspapers such as: *The New York Times*, *Los Angeles Times*, and *Chicago Tribune*; and, exclusive content from world's top publishers such as Cambridge University Press, Dow Jones, and more.

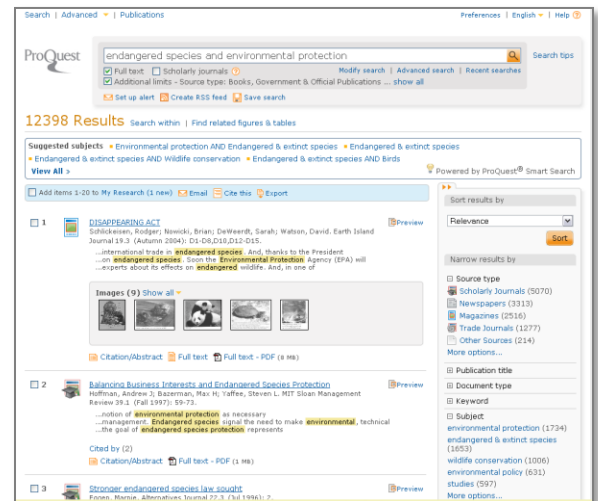

It's all delivered via the award-winning ProQuest platform, which offers intuitive search and powerful tools to aid the entire research process:

- Simple, web-like search that queries your full array of ProQuest collections—from historical to current content
- Easy-to-review results that feature highlighted hit terms, thumbnail images, document previews, and more
- Useful tools to facilitate research such as ProQuest® Smart Search, search widget, article translations, and auto-citations
- Personal My Research accounts that help users save, organize, cite, and share findings

Whether you need content for research, teaching, or study...it all starts at ProQuest Central K12. **Learn more by contacting a [ProQuest representative](#) or visiting our [website](#).**

Discover more with single-point searches spanning a full spectrum of subject areas

Use research tools like Smart Search, alerts, and RSS feeds to discover new information
