ProQuest Learning: Literature™ offers the most comprehensive and integrated literary resource for original full-text works, author biographies, contemporary literary criticism, study guides, and multimedia.

Discover 600 years of world literature ProQuest Learning: Literature provides over 150,000 full-text works of poetry, prose, and drama from around the world. It's the largest collection of primary works in any Web product for the secondary education market, and the only one that offers fully searchable text. This unique resource also offers secondary sources such as author biographies, literary criticisms, essays, reviews, multimedia, and interviews that place the original works in context.

A brand new interface enhances students' experience by connecting them visually with the authors they study. Author Pages brings everything together onto one screen—biographical information, criticism, reviews, multimedia, reference information, and links to the full-text literary works.

Students can find nearly 3,000 authors from medieval times to modern day, including many contemporary and international writers like Sherman Alexie, Maya Angelou, Julio Cortazar, Raymond Carver, Sandra Cisneros, and V.S. Naipaul.

Quick Search allows students to search the entire collection at once. Search Criticism enables students to search over 30 cover-to-cover key literary magazines and journals for the latest criticism, reviews, and interviews. Titles include *The New York Times Book Review*, *Black Issues Book Review*, *The Explicator*, *Hispanic Review*, *World Literature Today*, and *The Writer*.

New, expanded content helps students better understand and experience literature. Over 2,500 images, video clips, and weblinks

contextualize text-only content and make ProQuest Learning: Literature a great source for multimedia projects and presentations. Our unique Poets on Screen feature presents clips of world-famous writers reading poetry—their own and that of others, bridging the gap between student and author.

ProQuest Learning: Literature also provides indispensable study aids and reference works to students. Our KnowledgeNotes™ Study Guides offer in-depth analysis of the most frequently studied literary works, from Aeschylus to Toni Morrison. Also available to students is the 38-volume *Essays on the American Novel*, featuring original, previously unpublished essays by distinguished literary scholars.

Discover a new way to experience the world of literature with ProQuest Learning: Literature.

Highlight on Study Pages

ProQuest Learning: Literature features a comprehensive set of resources for the study of more than 4,000 authors, including most-studied, contemporary and popular, international, and award-winning. A great way to begin using what ProQuest has to offer is through study pages that cover typical assignments in English Language Arts.

Nearly 100 study pages help students explore literary genres, periods, movements, and the works of Shakespeare in-depth. The pages bring together everything necessary for teachers to supplement instruction and for students to complete coursework. Each page provides an overview written by an expert in the field of literature; a list of important works and authors; and links to hundreds of hand-selected images, works, criticism, transcripts, websites, audio-video, and more.
