

Historical Newspapers Graphical (HNP)

What are the Key Benefits?

Unrivaled content	HNP contains tens of millions of newspaper items—and it's growing every year.
Primary sources	Letters, cartoons, op-ed pieces, advertisements, birth announcements, marriage notices, obituaries, weather reports, and stock quotes are all part of the collection.
Curriculum support	Editorially generated introductions and handpicked articles are tied to core topics in history and social studies.
Multiple perspectives	National and regional newspapers provide differing accounts of important historical events.
Fun	Comprehensive sports and entertainment coverage allows users to read contemporary game reports and movie reviews.

Why Historical Newspapers Graphical over Competitors?

HNP G At a Glance	Unique Differentiators
<p>CONTENT</p> <ul style="list-style-type: none"> Numerous newspaper titles available Tens of millions of articles Primary sources such as letters, editorial cartoons, and photographs Overviews of core topics and editorially selected articles Interactive timeline <p>FEATURES</p> <ul style="list-style-type: none"> Powerful search functionality that searches every word of every article Multiple ways of accessing content <ul style="list-style-type: none"> "My List," allowing users to save articles for printing or e-mailing Fun features for engaging reluctant readers Full citation information Free online training Regular newsletters 	<p>Unlike all of its competitors, ProQuest's Historical Newspapers Graphical offers amazing breadth and depth—lots of newspapers and comprehensive coverage for extended runs of all of them. The graphical version makes it easy for students to find what they need from ProQuest's unrivaled collection of tens of millions of articles.</p> <p>HNP Graphical vs. <i>New York Times</i> archive — Access to articles via the <i>New York Times</i> article is marred by hidden fees and prolific advertising; there are no such problems—and plenty of benefits—with articles accessed in HNP Graphical.</p> <p>HNP Graphical vs. EBSCO NewspaperARCHIVE Elite – HNP Graphical features comprehensive coverage going back to a newspaper's very first issue; there are no full runs in EBSCO, and coverage for all titles tends to be spotty and incomplete.</p> <p>HNP Graphical vs. Gale's <i>Times Digital Archive</i> — <i>Times Digital Archive</i> consists of just one paper and so does not allow for the kind of valuable cross-paper searching that is the default in HNP Graphical.</p>
