Why eLibrary Elementary over Competitors?

At a Glance	Unique Differentiators
<p>CONTENT</p> <ul style="list-style-type: none"> • 100% Full-Text Articles • 73 Children’s magazines • 6 Full run Newspapers & Newswires • 6,300,000+ Images & Illustrations • 4,700+ Current and Historic Maps • 21,000 Radio & TV Program Transcripts • 11,000+ Multimedia Audio & Video Files • 30,000+ Screened Educational Weblinks • 300+ reference book collection, including: <i>DK Eyewitness</i> books & <i>Weekly Reader</i> series • 11.5 Million documents and growing! <p>FEATURES</p> <ul style="list-style-type: none"> • Lexiles & Reading Levels • Customizable BookCarts & QuizCarts • E-mail Functions • Highlight and Look-Up Functionality • Monthly Activities, Projects & Lesson Plans • Free Online Training 	 <p>eLibrary Elementary -- the ultimate elementary full-text reference resource -- tailors all the media types and search functionality of eLibrary for the young reader and researcher. It's an easy-to-use general reference database designed specifically to engage and guide younger students.</p> <p>eLibrary vs. Aggregators – Unlike other aggregated products for the grades 3-8 audience, eLibrary Elementary includes only 100% full-text content and no abstracts. eLibrary’s Lexiles <i>and</i> reading levels correctly match text and content complexity, making it easy for early visual learners and struggling readers to find high-interest content at just their reading level. No aggregated product offers the range and depth of multimedia that eLibrary Elementary does.</p> <p>eLibrary vs. Encyclopedias — Unlike Encyclopedias, which are designed as a starting place for further study, eLibrary Elementary offers a more complete, comprehensive research solution – designed to support the entire research process and prepare the student for future academic success. In addition to full-text article content from such magazines as <i>Boys’ Life</i>, <i>Highlights for Children</i>, and <i>Scholastic</i>, and a collection of more than 300 digitized books from acclaimed publishers including <i>Weekly Reader</i>, early learners can explore a Dictionary, Thesaurus, 15 Encyclopedias, 6 Almanacs, and 23 Atlases!</p>

Questions to Ask Before Investing:

Teacher	Is it important that students have access to varied media types?
Ed Technology	Are you comfortable with a resource that doesn’t provide full-text content?
Media Specialist	Is a continually updated and expanding e-reference collection needed in your library?
