DID YOU KNOW?

YOUR SCHOOL LIBRARY has many websites to help you make the grade.

You can use these sites free, at any time, just like Google. It is easy and fun to use—even at home with your friends or family!

Animals, arts, science, or sports. Whatever the topic, the answers are good and from safe sources. **The library is what your teachers want and expect you to use for school.**

- Articles, books, and stories for reports
- Biographies of famous people
- Reports about countries and cultures
- Videos that show how things work
- Color pictures for PowerPoint and websites
- And so much more!

So don't just use any website to help you with your homework. Use your library's web. It's the smart and fun thing to do.

Try the library the next time you have homework. We are here to help you make the grade!
