

WHENEVER YOU NEED AN ANSWER.
FROM SCHOOL OR FROM HOME.

**YOUR MEDIA
CENTER IS THERE!**

DID YOU KNOW?

YOUR MEDIA CENTER has plenty of online tools to help you make the grade.

You can use these online search engines free, at any time, just like Google. It's easy to access and use—even if you wait until the night before your report is due!

The answers are accurate, from the trusted sources that your teachers want and expect you to use.

- Find commentary, news, and opinion articles for reports and debate
- Locate author bios and literary criticism for literature assignments
- Watch science videos that show how things work
- Use interactive quizzes to build math skills
- Get high resolution pictures for PowerPoint and websites
- And much, much more!

So don't trust just any website to help you complete your next assignment. Use your media center's online search engines; there's no better way to be smart and ace the grade.

Remember, this online service is yours and it's absolutely free. We want you to use it! Try it for your next assignment and see what a difference it can make.
