Great news! We now have access to SIRS Researcher, part of the SIRS Knowledge Source suite of teaching and learning tools.

SIRS Researcher is a highly acclaimed reference resource containing thousands of full-text articles—many accompanied by charts, maps, photos, diagrams, and illustrations—exploring current and enduring topics.

Whether students are studying World Affairs, Human Rights, Aging, Consumerism, History, Economics or the Sciences, there's something for everyone.

Like all SIRS offerings, every article, chart, map, photo, diagram, and illustration has been carefully selected *by* educators, *for* educators to ensure its relevancy, credibility, curricular applicability, and appropriateness to students. Find out more about this solution today at proquestk12.com.

How will this new service help?

- Bring current information to your classroom or home with today's news, events, and breakthroughs from thousands of magazine and newspaper articles.
- Explore all aspects of the major issues of modern times.
- SIRS WebSelect complements Researcher with thousands of prescreened weblinks to the latest information on varied topic areas and ever-changing fields.
- Debate the pros, cons, and everything in between on the more than 100 topics featured in Leading Issues.
- Mine a daily-updated collection of articles from more than 1,500 publications that offer viewpoints from around the world.
