

Great news! Our school subscribes to eLibrary Elementary, the easy-to-use, Internet-based teaching and learning solution for students and teachers. Best of all, it's available at school or from home 24 hours a day, 7 days a week.

eLibrary Elementary gives you the best high interest collection of text and images designed just for the young reader. Students can use this colorful, easy-to-use search tool to find the answers they need from more than 130 magazines, newspapers, books, maps, images, web links, transcripts, and audio/video titles. Teachers use it for lesson planning, in-class activities, library work, and student assignments. Tap into effective research strategies presented in Curriculum and Citation guides, available online at proquestk12.com.

What can you and your students do?

- Learn beginning research skills in a safe, kid-friendly environment.
- Work from school or home on homework assignments.
- Earn extra credit by selecting articles and pictures relevant to the topics being studied.
- Combine pictures, maps, and images into presentations and reports.
- Type a word or a question to get information from more than 50 full-text magazines and newspapers. Print, save, or email on the spot.
- View audio and video clips to learn how things work, review historical events, and bring the excitement of sound and video to assignments.
- Search eLibrary to receive only top-quality, safe information for students of all ages.
- Use full-text reference books, including *Britannica Elementary Encyclopedia*.
- Browse collections of articles and editor-selected web sites organized by topics such as Arts & Crafts, Famous People, Current Events, Government, Sports & Gym, Science, and World History.
- Save time by using eLibrary Elementary with one-step searching!
