

## SIRS Discoverer Source List

Updated September 2010

SIRS Discoverer® articles and images are carefully researched, selected, and catalogued by a professional editorial staff comprised of former educators. Each article and image is chosen for its safety, relevance, appeal, and readability from more than 2,000 children's magazines, newspapers, and government publications worldwide. In selecting content for SIRS Discoverer, ProQuest aims to:

- Support school curriculum
- Provide a balance of three reading levels (Easy, Moderate, Challenging) and Lexile scores
- Ensure relevance with 100% full-text content
- Provide currency with daily updating of current events and perennial subject matter
- Ensure appropriate and safe content through careful and reliable editorial selection
- Enhance the text with photos, illustrations, charts, graphs and maps
